

THE AIRADVICE SYSTEM with

Grow Your Revenue Without Adding Staff!

SYSTEM BENEFITS

Professional Indoor Air Quality Testing

- Distinguish yourself from the competition and **better serve clients**.
- A **valuable add-on** for any residential or commercial inspection.
- Identify IAQ issues and reference industry standards with **two report options**: 30-minute report and a multi-day report.
- Report templates suited for both **Residential and Commercial** applications.

Training

- **Industry leading IAQ training** includes a certificate and badge for individuals, and a digital field guide.
- Unlimited training, coaching, & technical support.
- NATE, BPI, and InterNACHI credits available.

Additional Benefits

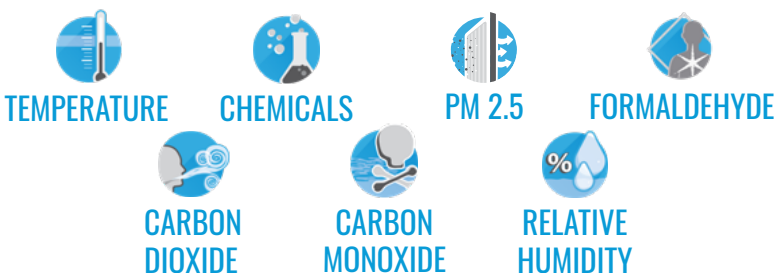

- Weekly monitor usage reporting for managers.
- Dashboard tools for data logging and IAQ analysis.
- Add a branded **custom page** to the report with your IAQ products and services.
- Monitor **calibration** services included.
