*GWM-200IE does not meet ENERGY STAR® Most Efficient Criteria but is ENERGY STAR certified.

**Annual Fuel Utilization Efficiency measures the efficiency of boilers. The higher the AFUE, the more efficient the boiler.

***Covered components may be eligible to receive a 10-year limited warranty. Online equipment registration at www.lennoxregistration.com is required within 60 days of installation (except in California and Quebec) or Lennox' base warranty will apply. Applies to residential applications only. See actual warranty certificate for details.
