

LENNOX WARRANTY YOUR WAY™
IMPORTANT DISCLOSURES, TERMS, & CONDITIONS

Dealer Registration on Your Behalf

If the dealer (the “Dealer”) who is selling you Lennox-branded HVAC equipment (the “Equipment”) elects to register the Equipment on your behalf, you authorize the Dealer to register the Equipment and you understand and agree that the Dealer will be acting as your agent and may share any personal information you provide with Lennox for the purpose of administering, servicing, or providing coverage under the Limited Warranties (as defined below).

Residents of California, Quebec, or Any Other Jurisdiction that Prohibits Registration Requirements to Effectuate a Warranty

You do not have to register the Equipment to activate or effectuate any applicable basic limited warranty and extended limited warranty (together, the “Limited Warranties”) that come with the Equipment and the failure to register the Equipment does not reduce or diminish the Limited Warranties. If the Equipment qualifies for Warranty Your Way, you have the right to switch from the default parts-only extended limited warranty to an extended limited warranty that has a shorter parts period but covers some labor so long as you inform Lennox of your desire to switch within sixty (60) days of installation (for existing homes) or sixty (60) days of closing (for new construction) (terms and conditions apply).

U.S. & Canada Residents (Excluding California, Quebec, or Any Other Jurisdiction that Prohibits Registration Requirements to Effectuate a Warranty)

You need to timely and properly register the Equipment to activate and effectuate the extended limited warranty on your Equipment, if any. If your eligible Equipment is not properly registered within sixty (60) days of installation (for existing homes) or closing (for new construction), you will lose your right to coverage under any extended limited warranty that could have applied (terms and conditions apply).

Opportunity to Review the Limited Warranty’s Terms

Prior to purchasing the Equipment, you may review the Limited Warranties at www.Lennox.com/WarrantyYourWay or obtain one by calling 1-800-9-LENNOX to receive a copy by mail. The Limited Warranties are subject to detailed terms, conditions, and limitations. Please refer to the Limited Warranties for further information. By purchasing the Equipment, you agree to the terms of those Limited Warranties, including, without limitation, the specified (i) arbitration requirements; (ii) Equipment maintenance and other requirements; (iii) limitations of liability and exclusions for coverage; and (iv) class action waiver.

No Additional Cost Limited Warranty Option

You do not need to purchase an extended service agreement to obtain the Limited Warranties that come at no additional cost with the Equipment.
