LennoxPROs.com Product Pricing and Availability Guide

How do I find product pricing and availability?

1. Login to your LennoxPROs.com account on desktop or mobile.

If you don't have an account, you can create one by clicking on the <u>Sign In</u> link located at the top right corner of the page, or the "Please login or create an account" link on mobile.

2. Once you are logged in, your pricing will be visible on all the products.

If you don't see pricing, contact your LennoxPROs.com Admin to update your account permissions, or call 1-877-570-0123.

3. Here are a few ways to check Pricing and Availability on LennoxPROs.com.

a. Global Search > Cart

Use the Search bar to look for a product by keyword, part number, model number or catalog number.

Each of the products displayed in the search results has price and availability listed.

Click Add to Cart and View Cart to select shipping method(s) and detailed availability.

b. Global Search > Product Detail Page (PDP)

Browse the catalog or use the search bar to find products.

From the search results, click or tap on the product image or catalog number to go to the Product Detail Page. From here, you can view and edit your shipping zip code or pickup location, and see pricing and standard availability.

Click "Add to Cart" for additional Pricing and Availability options.

c. Quick Order

Click the "Quick Order" link within the header menu and enter catalog number(s).

Press "Add to Cart".

Click on the Cart and select "View All Items" or "Checkout Now"

and select shipping method(s) and view detailed availability.

d. Clearance Center

Click Menu > <u>Clearance Center</u>

The pricing and availability is in the first screen.

Click on a product or add to cart to view detailed pricing and availability.

e. OEM Repair Parts

Click on Menu > Resources > OEM Repair Parts

Enter the serial number, model number or part number and click Go.

Select "Expand All". Click on the part number to view basic price and availability options.

Click "Add to Cart" and then "View Cart" to select shipping method and view detailed availability.
