VP5 VACUUM PUMP 5 CFM

Y8536 | HILMOR

- » Sloped and channeled housing and oversize oil-fill port make oil changes fast and easy
- » Two durable hoist points for hands-free carrying
- » Large sight glass for quickly identifying oil level and detecting contamination
- » Leak-proof blank-off valve isolates pump from system for accurate vacuum readings and easy oil change without losing a vacuum

VALVE CORE REMOVAL TOOL 1/4"

Y8537 | HILMOR

- » Creates unrestricted flow by securely and confidently removing valve cores
- » Built-in rare-earth magnet keeps the plunger conveniently stored for fewer lost parts on the job
- » 1/4" side flare to easily connect with vacuum gauge
- » Vacuum tested to 20 microns and 800 PSI working pressure
- » Leak-resistant double O-ring ball valve

24-460 PIVOT 33 CLIPLIGHT LED WORKLIGHT WITH HOOK, CAMO

Y8028 | DIVERSITECH

- » 28 LED-face and 5 LED-top flashlight
- » 360° swivel hook
- » Magnetic base
- » 3 AA batteries included

FEATURED PRODUCTS

SENSI™ WI-FI THERMOSTAT

Y8734 | EMERSON **NEW!**

- » Easy install, no common wire (c-wire) required for most applications
- » Universal application up to 4H/2C, dual fuel, no outdoor sensor required
- » Large, high-contrast, bright backlit 5" screen makes it easy to read in low-light situations
- » Universal single-stage, multi-stage (2H/2C), or heat pump (4H/2C)
- » 5-year warranty

SENSI™ TOUCH WI-FI PROGRAMMABLE THERMOSTAT

Y8782 | EMERSON **NEW!**

- » Ranked "Highest in Customer Satisfaction with Smart Thermostat" by J.D. Power
- » Geofencing and flexible scheduling help homeowners save money on HVAC-related energy costs
- » Free Sensi™ app for Android and iOS devices gives remote access from smartphone, tablet, and laptop
- » Integrates with Amazon Alexa (U.S. only), Apple HomeKit, and Wink smart home platforms
- » Works with Google Assistant and Google Home using the free Wink app
- » Extensive compatibility with HVAC systems in most homes — all system types require a c-wire

FEATURES & BENEFITS

- » All ball-bearing motors
- » Broad torque curve
- » Reversible shaft rotation
- » Multiple operating speeds
- » Superior performance in restrictive systems
- » High-heat endurance (60° and 70° models)
- » UL-recognized thermal protection
- » Automatic thermal overload protector

EASY INSTALLATION WITH

- » Extended studs and 30-inch leads
- » Insulated disconnects and stripped wiring
- » Multiple-hole and longer-bolt configurations
- » Mount to all standard 48-frame brackets

CAPACITORS

FEATURES & BENEFITS

- » Longer run life of 10,000 hours, compared with the standard 3,000
- » More versatile, at 440V
- » Wide range of capacitance (µF) offerings

HOW TO LEVEL UP

PROGRAM GUIDELINES

BENEFITS

Parts and supplies qualifying orders will receive discounts* based on the following offers:

- » **With minimum \$500** qualifying purchase between 8/14/17 and 9/29/17, an 8% discount will be applied to customer pricing for future orders of the products listed in the promotion catalog until 10/31/2017.
- » **With \$1,000–\$2,499.99** qualifying purchase between 8/14/17 and 9/15/17, customer will receive 2% of the total purchase price to spend on additional free product on the initial order, and an 8% discount will be applied to customer pricing for future orders of the products listed in the promotion catalog until 10/31/17.
- » **With \$2,500–\$4,999.99** qualifying purchase between 8/14/17 and 9/15/17, customer will receive 4% of the total purchase price to spend on additional free product on the initial order, and an 8% discount will be applied to customer pricing for future orders of the products listed in the promotion catalog until 11/30/17.
- » **With \$5,000+** qualifying purchase between 8/14/17 and 9/15/17, customer will receive 6% of the total purchase price to spend on additional free product on the initial order, and an 8% discount will be applied to customer pricing for future orders of the products listed in the promotion catalog until 12/15/2017.

GENERAL/EXCLUSIONS

Please allow five (5) business days from receipt of qualifying order by Customer Service to process and apply 8% discount to customer pricing zone. Any additional orders submitted during the five (5) day period will not receive the new price benefit.

Tax and shipping are not included in the amount used to determine discount amount and amount of free product.

If free item(s) purchased cost more than the available free item credit amount, customer must pay the difference.

If free item(s) purchased cost less than the available free item credit amount, customer will forfeit the difference. Unused balance does not carry forward to future purchases.

Qualifying parts and supplies orders exclude finished goods, PureAir™ (Y6595, Y6598, Y6601), iComfort® thermostats (12U67, 10F81, 11U61, 15S63), ComfortSense® CS5500 and CS7500 Thermostats (13H13, 13H14), iHarmony® (X9953), L2P2 (Y7766)/L2P4 (Y7768)/Harmony III zoning, coils, and commodities, and do not count toward the total purchase amount calculation for purposes of determining discount.

Qualifying order must be made on a single order and cannot be combined with previous parts and supplies orders or with any other offers or discounts.

Orders can be taken by any Lennox personnel on the provided order form or can be faxed or emailed to Lennox Customer Service. If special terms are not required, an order can be placed within a participating Lennox PartsPlus® store.

Temporary 8% discount pricing applies only to a pre-approved specific list of parts and supplies products as listed in this catalog.

No consignment orders.

All changes to orders must go through Customer Service.

Specific customers are excluded. Service Experts, National Account Services, ARS, and Home Warranty customers do not qualify for this offer.

Valid in the U.S. and Canada.

CREDIT TERMS

All orders with special terms are subject to credit approval and may experience a delay in processing.

New credit accounts must submit a credit application, which will be processed through Credit Services within three (3) business days.

Once account is approved, Customer Service will then begin to process the qualifying order.

Special credit terms are available on parts and supplies:

- » **Orders \$1,000–\$2,499.99** receive (NQ) 1/2 Std, 1/2 30 days extended payment
- » **Orders \$2,500+** receive (NR) 1/3 Std, 1/3 30 days, 1/3 60 days extended payment

Include parts and supplies qualifying order amount and Store Manager name on the credit application.

SHIPPING

Please allow at least five (5) business days between receipt of the qualifying order by Customer Service and the requested ship date.

North American freight policy applies.

Product is subject to availability.

Orders are scheduled as received. Please place orders as quickly as possible to avoid availability or shipment delays.

Lennox will attempt to honor dealer-requested delivery dates on a first-come, first-served basis, based on product availability and shipping capacity; however, Lennox cannot guarantee the requested delivery date and will not be liable for any product unavailability and/or delivery delays.

Lennox will schedule each truckload and/or split load and confirm ship date with the customer prior to shipment.

Qualifying pickup orders must be scheduled and claimed in their entirety.

EXCHANGES/RETURNS

Lennox reserves the right to refuse any returns or exchanges in accordance with standard policies.

Any returns or exchanges against an invoice that resulted in the customer earning program incentives will be subject to a benefit reversal if the qualifying purchase threshold is no longer met.

Lennox reserves the right to cancel or modify this offer at any time.
