

# Lennox Manufacturer Certification Statement for Energy Efficient Home Improvement Credit Under the Inflation Reduction Act of 2022

## FEDERAL TAX CREDIT FOR QUALIFIED ENERGY-EFFICIENT HVAC IMPROVEMENTS—RESIDENTIAL AIR CONDITIONERS AND HEAT PUMP PACKAGED UNIT PRODUCT CATEGORIES

Under the Inflation Reduction Act of 2022, Congress amended Internal Revenue Code Section 25C, which provides tax credits for the installation of “qualified energy property” for residential heating and cooling equipment meeting certain energy efficiency requirements. Tax credits are effective for Qualified Energy Property<sup>1</sup> installed from January 1, 2023, through December 31, 2023.

Taxpayers claiming energy efficient home improvement credits should retain this Manufacturer’s Certification Statement for taxpayer records.

### CERTIFICATION STATEMENT

Pursuant to this Certification Statement, Lennox Industries Inc. certifies that each of the following products constitutes Qualified Energy Property and meets required standards to be considered eligible for an energy efficient home improvement credit from January 1, 2023, through December 31, 2023, as set forth by Section 25C of the Internal Revenue Code.

Lennox® package central air conditioners installed in all regions<sup>2</sup> that achieve a minimum SEER2 of 15.20 and EER2 of 11.50 meet federal standards for Qualified Energy Property<sup>1</sup>.

<sup>1</sup>“Qualified energy property” means property which meets or exceeds the highest efficiency tier (not including any advanced tier) established by the Consortium for Energy Efficiency which is in effect as of the beginning of the calendar year in which the property is placed in service. Listed units and requirements are valid for the 2023 calendar year and do not automatically renew for 2024.

<sup>2</sup>Regions are defined by the Department of Energy (DOE) in the federal register 10CFR part 430. They define the following regions:

Southeast includes: The states of Alabama, Arkansas, Delaware, Florida, Georgia, Hawaii, Kentucky, Louisiana, Maryland, Mississippi, North Carolina, Oklahoma, Puerto Rico, South Carolina, Tennessee, Texas, Virginia, the District of Columbia, and the U.S. territories.

Southwest includes the states of Arizona, California, Nevada, and New Mexico

All other states are included in the North region.

NOTE: Lennox Industries Inc. (“Lennox”) is not acting in the capacity of a legal or tax advisor. This document has been prepared for informational purposes only and is not intended to provide, and should not be relied on for, tax or legal advice. The IRS, DOE and state energy offices are responsible for the implementation and administration of tax credits/rebates. There are important requirements and limitations for the homeowner to qualify for tax credits/rebates. Moreover, the laws are subject to change. As a result, Lennox highly recommends that you consult with a tax advisor or attorney regarding your qualification for a tax credit/rebate in your particular circumstance and verify and review the applicable laws and regulations. Lennox expressly disclaims all liability for damages of any kind arising out of a homeowner’s claim for a tax credit/rebate.
