Coverage Highlights

- No Deductibles
- All Tiers & Coverages for Canadian dealers
- Labour Only: Trip and Labour reimbursement available on the Basic Tier for Residential products only.
- Labour PLUS coverage includes Trip, Labour, Refrigerant, Parts markup, and Miscellaneous parts.
- Parts and Labour coverage includes Trip, Labour, Refrigerant, Out-of-Warranty parts, Parts markup, and miscellaneous parts.
- Parts Only: 10-year term, parts only coverage begins years 6-10, upon expiration of Lennox' standard warranty. No reimbursement for trip/diagnosis, Labour, miscellaneous parts, or parts mark-up.

Parts Markup May Be Available

With the Tier 1-3 options, you qualify for these additional markup opportunities:

- Up to 40% markup on dealer's cost per part when sourced through Lennox. Markup applies to in-warranty and out-of-warranty factory parts.
- If included in the plan, servicing dealer's cost of refrigerant with up to 50% markup.

Limitations and exclusions apply. All extended service contracts are subject to a ninety (90) days wait period. Subject to detailed terms and conditions. Extended service contracts are provided by Service Net Warranty, LCC, part of AIG. Please see the full terms and conditions for further details and contact 1-866-816-2434 for more information. Comfort Shield is a third party product. Lennox is not selling or administering Comfort Shield coverage.

Comfort Shield consumer pricing (page 23) will be offered to consumers that register their equipment.

¹Indicates Labour PLUS which covers items such as refrigerant, parts mark-up, and other misc. parts used during repairs.

²12-year options only available on newly installed DLSC equipment or on non-DLSC equipment if installed with at least one new DLSC indoor or outdoor unit.

³P&L pricing applies to products with 2-year Lennox parts warranty.

⁴P&L pricing applies to products with 5-year Lennox parts warranty.

COMBINATION OF INDOOR AND OUTDOOR UNIT OPTIONS

Indoor and outdoor units with the same parts warranty when installed and registered together are categorized as a "complete system" and have a price variance (usually less expensive) than itemized indoor unit and outdoor unit options.
